

I would like to be our class councillor because I am friends with everyone in class, and I love to help people! I think that I am the right person for the job because I listen to people and want to make school a great place. If you elect me, the things I would like to change are to get a climbing frame in the field and have a longer break time, so we can have more fun with each other together every day!

*Ruby, Badgers*

I would like to be our class councillor because I always help the person next to me if they are struggling with our work. I think that I am the right person for the job because I am kind and helpful and I always listen and am honest. If you elect me, I would like to change the clubs we are offered. When clubs can start again, I think that we should have a wider range of clubs that we can do, so there's something to do every day. We could have PE club at lunchtime as well.
