

I would like to be our class councillor because I am kind and helpful. I try to be friends with everyone and I want to make sure we all enjoy coming to school every day. I think that I am the right person for the job because I have lots of ideas for improving our school, and I will try to listen to everyone and find out what you would like me to do. If you elect me, I would like to get more things for younger children to play with.

I would like to be our class councillor because I would like to make sure every child has a smile on their face and no one is sad. I think that I am the right person for the job because I have been on school council before and we had a successful year. If you elect me, I would like to organise more discos so that we can raise money for upgrading the things we have in class and getting more things for the field like the trim trail.
