

I think that I should be our school councillor because I care about our school and I want to make it an enjoyable place. If you elect me, I will listen to your suggestions and try to make them happen. I will get us more play equipment and make our playtimes more fun. Please vote for me as I would work very hard for you all and believe that I would be a good representative for everyone in our class. Thank you for listening to me, and I hope that you make the decision to select me as your new school councillor.

I would like to be our school councillor because I am determined to help make the school a better place. I would like to make some of the best parts of the week last a little longer. If we could just make golden time and dance five or ten minutes longer, I think that it would make school more enjoyable for everyone, and give us more to look forward to (and work towards) across the week. I would also like us to go on more exciting trips (like staying the night at the Natural History Museum) and organise more sports tournaments throughout the year.
