

Hi, my name is Asher and I am in Year 6. I think that, if I was school councillor, I could make a real impact on the school. Firstly I would try to stop arguments at breaktimes. A good way to do this would be to get us more sports equipment to play with, so that would be the main thing I would try to change. I am trustworthy, kind, creative and unique, so please vote for me. Thank you for listening!

Hello! I am Elin and I am in Eagles class. I would like to be school councillor because I think I have some good ideas on how to improve the school. My ideas include:

- more fundraising to get more art supplies and a new range of lessons;
- more school trips;
- a wider range of sports and clubs;
- new books in the school library;
- more lunchtime equipment so there is something for everyone to do.

I am hardworking, trustworthy, resourceful and sympathetic, and I feel that these qualities would all be useful as school councillor.

I think I would make a good school councillor because I would try my hardest to make everyone feel welcome and included. Also, I believe that I am the right person for the job. I would try to consider everyone's ideas and help with their problems. Thank you for listening to me today.
