

So, why should you vote for me to be your school councillor? Well, I'm approachable, a good listener and I want to make a difference. I also have good ideas - for example, I think we should carry on the great fundraising we have been doing and share it between the school, local charities and people in crisis abroad. I would also like to find a new fundraising project for the school as we did so well with the trim trail. I would be open to hear your great ideas - here are a few of my own:

- A bike shed to help anyone who rides to school
- More ipads for privileges and more laptops for lessons
- Extra-curricular days based on our topic

So please vote for me to be your school councillor.

***Alistair, Falcons***

I would like to be school councillor because I like to help others. I want every student to feel included in everything we do. I will try to get more privilege equipment for Year 6, and more fun things for Year 5 as well, including new Golden Time equipment. I think that I am the right person for the job because I will speak up for anyone who doesn't feel able to speak for themselves. I will also get more equipment to support people who don't speak English. If you elect me, I will find out what you want me to change and then I will do all I can to make it happen!

***Ella, Falcons***
