

I would like to be our class councillor because I would really like to be able to help people around the school. I think that I am the right person for the job because I talk to lots of people and listen to what they say. I try to play with everyone! If you elect me, I would like to get us more toys to play with in the afternoons and at playtimes. I would also like us to be able to do more story writing.

I would like to be our class councillor because I want to be able to make things better in school. I think that I am the right person for the job because I like to help people and I want everyone to be happy at school. If you elect me, I would like us to have new trays and shelves in the hall, so we can all eat our lunch together in a really nice place. I would like us to have more playtime and go on lots of fun trips!
