

I think that I would be a good person for this job because when I make friends we are friends forever! Also, if anyone wants to play, I will play with them for as long as they want to, so no one should ever be lonely or not have anything to do. I like to share my ideas and hear other people's as well. If you vote for me, the thing that I would like to change at school is to give us ten minute reading breaks at different points in the day, so we can split learning into smaller chunks and get lots of practice at reading. Vote for me please!

***Ruby, Foxes***

Hi! My name is Devarni and I am 9 years old. My hobbies are playing football and cricket and going on nature walks. My ideas for improving the school are:

- Getting my fellow students to be more active
- Playing more sports
- Ensuring that there are after school clubs that involve lots of sport, such as tennis, cricket and dance

Due to the current pandemic, many of my fellow students have gained a lot of weight, so this would be a great opportunity to be more active. I would be an excellent school councillor, because I am helpful, kind and have a great sense of humour. Please vote for me!
