

I want to be our class councillor because I would like to be able to help my friends when they need help. I think that I am the right person for the job because I am a good, kind friend to everyone. If you elect me, I would like to make sure that we get to use the trim trail more often and have more fun things to do at playtimes. I will make sure that we all have a great time in Year 2 and love being Hedgehogs!

I would like to be our class councillor because I will try to do different things for the class, like making sure the school is squeaky clean, we have fun things to do and go on cool school trips. I think that I am the right person for the job because I will try to understand what people ask me to do. I am kind, helpful and I want to be friends with everybody that is sad or needs help. If you elect me, I would like us to have more playtime and cake sales. I will do all I can to keep you all happy and safe.
