

I would like to be our class councillor because I like to help people! I think that I am the right person for the job because I am kind and like to listen. If you elect me, the main thing I would like to change is to give us more play time, so we can have more time playing with our friends. I think that would make school more fun for everyone!

I would like to be our class councillor because I would like to make some changes to the school. I think that I am the right person for the job because I listen and I am kind. I play with everyone when they are lonely. If you elect me, then I would like to make a few small changes to make school better for everyone. I would like us to have more toys and more choice about what we do at school each day.
