

I would like to be our class councillor because I haven't been able to do a whole year as our councillor for the last two years because of Covid. I would like a chance to fight for the things that we as a class would like to do. I think that I am the right person for the job because I have experience in the job, and I'm not shy or scared. I'm happy to face my fears.

If you elect me, I would like us to have:

- Real matches in football
- More trips
- Longer Golden Time and playtimes
- More non-uniform days

I hope that you vote for me, friends.

Hello everyone! I would like you to vote for me as school councillor because I enjoy supporting our school and I like helping others. I think that I am the right person for the job because I have experience, and I am kind, supportive and full of good ideas! I am also good at listening. If you elect me, I would like us to have more fun clubs, more school trips and fun ways to raise money for the school, such as dressing-up days, bake sales, raffles and sponsored cycling.
