

I would like to be our school councillor because I want everyone in our class to be happy and enjoy school. I think that I am the right person for the job because I am kind and helpful and do not like rude people. If you elect me, I would like to try to get us more playtime and more things to play with at playtime and lunchtime.

*Avik, Squirrels*

I would like to be school councillor for our class because I would like to help make things better for everyone. I think that I am the right person for the job because I am a very helpful person. If you elect me, I would like to get more things for us to play with at playtime, and to make sure that our classroom is always clean and tidy.
