

I would like to be our class councillor this year, because at meetings, I wouldn't be shy and would speak up for our class. I think that I would be the right person for the job because I am a hard worker and a good listener. If I get the job, I would try to organise a Christmas Fayre to earn money for school. Please vote for me to be our class councillor!

I would like to be our class councillor this year, because I like going to meetings and telling people what I think. I think that I would be the right person for the job because I am a good listener, and will listen to everyone in class. If I get the job, I would try to change anything that I thought would make other people in my class happy.
