

I would like to be our School Councillor because I would like to be able to help all of my class friends to have a great time this year! I think that I am the right person for this job because I am friendly, and I like to make new friends and help people. If I am chosen, I would like to try to get us more playtime and make sure that no one in our class gets bullied.

I want to be class councillor because I'm nice and I will listen to other children and adults. I think that I am the right person for this job because I have lots of good ideas and I try to be friends with everyone in our class. If I am elected, then I would like to make sure that everyone in our class is nice to each other and no one gets hurt.
