

I would like to be our class councillor this year, because I really like helping people. As well as that, I think that I am a good friend and I like making people laugh. I think that I would be the right person for the job because I am very responsible, I am kind and I never make fun of anyone. If I get the job, I would try to organise a day when we can all bring in our pets, more non-uniform days and a cupcake stall to raise money.

I would like to be our class councillor this year, because I won't make fun of anyone and I am very responsible. I think that I would be the right person for the job because I will try to help anyone who has a problem and make school better for everyone in our class. If I get the job, I would try to have special days when we can all bring our pets into school. I will also try to get more footballs for us to play with at lunchtime.
