

I want to be class councillor because I have some fun ideas for the school, so I think I can make school more fun for everyone. I will also try to make sure that everyone in class sits nicely and is a good friend. I think that I am the right person for the job because I am polite, helpful and kind. I am a good listener and have lots of friends. If I am chosen, I would like to get longer playtimes so everyone can play games with their friends. I would also like to learn other languages, so we can speak to people when we are on holiday.

Kye Randall, Class 4b

I would like to be class councillor this year, because I want to make sure that school is fun for everyone! I would make playtimes and lunchtimes longer, and try to have more Golden Time at different times during the week. I think that I am the right person for the job because I am very interested in the way we can learn the things we need to know. If you choose me, I would like us to get us more activities like making things and doing sports, so that we can learn how to do lots of different things.

Marissa Orros, Class 4b
