

I would like to be our class councillor this year because I really want to make school as enjoyable as possible for everyone in our class. I would like us to have more chances to play with animals, and think that every class should have its own pets. We could even turn the classroom into a jungle or a forest for special topics. I would also like to get us new toys and games for Golden Time. I am helpful and always try to do the right thing, so please vote for me!

If you vote for me as class councillor, then I promise that I'll work as hard as I can to make everyone happy! I would like to make our classrooms more colourful, with brighter blinds, new rugs and more exciting displays. If I am chosen, I will also try to get us more Golden Time toys and games, as well as a special area for messy play (like paints and playdoh). I think I would be good at this job because I am a really helpful person, so please choose me!
