

I would like to be school councillor because I am determined to help make our school a better place. I think that our school is a great place to learn already, but I also have lots of ideas to improve it further. I would like to run a book renewal every couple of months, so any torn or damaged books can be repaired. I would also like to make sure that we have more school trips, to support our learning and give us the chance to see lots of new places. I think that I am a helpful and caring person, and I promise to listen to everyone in class throughout the year.

Aleena Mughal, Badgers

I would like to be our school councillor this year, because I want everyone to have a fantastic time at school and would like the chance to help to make Bedwell even better. If anyone needs anything, I am always there to help them, and if anyone feels lonely, I will always be around to talk to you or play with you. To help make our school even better, I would like to get us even more equipment for playtimes, so that we all have something to play with. I would also like to get a few more pets for school. Finally, I would like to help organise more inter-school competitions throughout the year.

Fionn O'Sullivan, Badgers
