

I want to be our class councillor because I am a hardworker and I will do everything that I can to make sure that people in my class are happy. I think that I am the right person for the job because I am a good person to look after everyone in Year 1. To make things better, I would like to make sure that everyone has friends all of the time so no one is lonely.

I want to be our class councillor because I want to make sure that everyone in my class is happy and that we all have a great time in Year 1. I think that I am the right person for the job because I am a good listener and I will try to help everyone in my class. To make things better, I would like to change our lessons so that we can spend more time learning outside.
