

I would like to talk to you today about the reasons why I would like to be our school councillor this year. I am determined to make our school an amazing place, and I will work hard throughout the year to listen to everyone's ideas and try to make the changes that you want. I will be there to sort out problems at playtimes, and I am also keen to help the school to raise more money for good causes. I would like us to have some larger play equipment, like swings and slides, on the field and the playground, so that we always have something to do. I would also like to arrange more school competitions and make sure that we get some new toys for Golden Time. I have that you will make a good choice about who will be our school councillor this year, and will choose me - I promise to do all I can to make this an amazing year!

Megan Vince-Wick, Moles

Hello, my name's Tommy and I think that you should choose me to be school councillor this year. I really want to make the school a better place, so that everyone loves coming here. I will help us to stop bullying, so that everyone is happy at school every day, and will always listen to you if you have a problem and need someone to talk to. On really cold days, I would like us to be able to have hot chocolate at breaks and lunch times, to warm us up. I would also like to organise film afternoons once a month to reward us for all our hard work. Finally, I think that we should go on more school trips and more discos, so we have more exciting things to look forward to.

Tommy-Lee Hicks, Moles
