A bit about Mrs Thomas

- I became a teacher because I love the enthusiasm children have for life and learning. There is never one day the same.
- I have worked at Bedwell for 12 years covering all age groups.
- The best part of my job is being with the children every day and I love hearing their stories and about experiences.
- I strongly believe in routine and structure. I believe this is best for the children to learn and for the classroom to be a friendly, safe and welcoming environment.

How you can support your child's learning:

- Reading together regularly - try to make it part of your daily routine
- Practising times tables. At the end of Year 4, the children sit a Multiplication Tables Check - *pencilled in for 12th 16th June.*
- Homework - every child will be given a piece of maths and spelling work to be completed each week
- Talk to your child about what they did - and better still what they learnt - at school today
- Send in PE kit every Monday and take it home on Friday
- Make sure all clothes are labelled

Working together:

- Look forward to seeing you all at parents evening in October , where we will be able to discuss your child's learning in detail.
- Please come and speak to me with about any issues big or small. Please take my email.
- Every year - in fact every week - is important in helping your child to reach their potential, so looking forward to working together this year.
