# How you can support your child's learning:

- Reading together regularly - try to make it part of your daily routine
- Homework - every child will be given a piece of maths work to be completed each week as well as a piece of grammar/ spelling.
  - Homework will be set on Thursday and will be due in the following Tuesday.
  - If your child is struggling with homework, I am more than happy to help during the school day.
- Talk to your child about what they did - and better still what they learnt - at school today
- Make sure all clothes are labelled
