

I am running to become our school councillor because I have lots of ideas for making our school better! Firstly, I would like us to have more Golden Time toys that are the right age for each class. Next, I would like us to go on more trips, and be able to suggest where we would like to go. I would also like us to have more fun lessons like art, maths, model making and computing. Finally, I'm good at helping people, so I think I would make a great school councillor!

Joe, Badgers

I am running to be school councillor because I would like to help everyone to enjoy coming to school everyday, even more than we do already! I would like us to have more playtime equipment and more laptops and iPads to use in class. I would also like to organise more discos and more non-uniform days, because we are happier in our own clothes. I am a good friend to people and help them if they are sad, so please vote for me this year!

Phoebe, Badgers

I am running to be our school councillor this year, because I think that I can really make a difference to how our school is run, making things better for everyone. If you vote for me, I promise that I will try to listen to everyone in class and represent us all. I would like us to have more clubs after school and more trips during the year. I would also like to make sure that we get some new things to play with at playtimes and in Golden Time, so everyone can enjoy themselves. Thank you for listening to me, and I hope you will vote for me!

Krishna, Foxes

I would like to be our class councillor because I am kind and helpful. I try to be friends with everyone and I want to make sure we all enjoy coming to school every day. I think that I am the right person for the job because I have lots of ideas for improving our school, and I will try to listen to everyone and find out what you would like me to do. If you elect me, I would like to get more toys and games for us to play with in Golden Time and make sure that we have more art, music and PE lessons!

Bonnie, Foxes

Hello everyone, and thank you for giving me some of your time today. I would like to become school councillor so that I can help to make school better for everyone. I would like us to have more clubs that are not sport based for years 5 and 6, and would also like us to be able to go on more school trips. I also hope that if something is making people upset, they can speak to me knowing that I will always help. I will try to listen to everyone and represent all of us and all of the things that we care about.

Dillan, Falcons

I would like to take on the position of school councillor because I am an intelligent, honest and sincere member of the school community. I genuinely care about our school and want to make a positive difference. I think that I am an open person who you can confidently trust and rely on, whether it's making improvements to our school or planning fun events. I would like to improve school meals by adding more delicious puddings at lunchtimes, with more yoghurts, flapjacks and flavoured custard. I would also like to organise more fundraising events, encourage us to go on more inclusive educational trips and get us a waterproof bike shed for those of us who ride or scoot to school. Thank you for taking the time to listen to me today.

Jazzi, Falcons

Max made a PowerPoint Presentation!

Why I want to be Eagle's Class Councillor?

- It is my last year at Bedwell and I want to make a difference before I leave.
- I want the school to be the best it can be for all children - not just year 6.
- I like having the responsibility of helping other people.

Why I think I'm a good person for the job?

- I have experience of being a school councillor before so know what the job is about.
- I am not scared of talking out loud to the teachers and representing all of our views.
- I remember what it was like to be a year 5 in a year 6 class and I will make sure they aren't left out.
- I have magical powers...

Why I think I'm a good person for the job?

...well nearly!

What I would like to improve about our school?

When I was little I use to say I would get you all double puddings and ketchup but now I know the job is about more than that. This is what I want to do...

- Organising lots of fund raising to get another loop on the trim trail which has large equipment for KS2.
- Improving privilege and golden time equipment to include art resources, a PS5 and a pool table.
- Ensuring that lessons are fun and practical.

A vote for me, is a vote for you. Together we can achieve anything
Eagles!

When you do your vote remember this face...

Max, Eagles

I would like to be elected to be school councillor because I think that I have good I idea and that I would help the school with everything we want to achieve. I would like to make sure that we have more books and more Golden Time toys that older children would love. I would also try to get more iPads and PlayStations for Year 6 to use in our Privileges time. I would also like to get more books and posters to help us with our grammar. Thank you for listening - and please vote for me!

Billie-Jean, Eagles
