

I would like to be our class councillor because it would be a great responsibility and I would listen to everyone. I think that I am the right person for this job because I will work hard, listen to other people's ideas and do what's best for our school. If you elect me, I would like us to have more fundraising events to help the school get more money. I would also like us to have more, bigger goals on the field and more sports to play at lunchtime and in PE.

I would like to be our school councillor because I am confident and I would like to help people in my class. I think that I am the right person for this job because I am honest. If you elect me, I would like us to have more toys and games to play with at lunchtimes and during Golden Time. I would also like us to do more art lessons and have some new books to read in our class libraries.
