

Hello everyone! I am running to become our school councillor because I want to make our school a better place for everyone. If you vote for me, then I would like us to get a reward if we don't lose any Golden Time for the whole term. I would also like us to have more construction toys for Golden Time, and snacks as a special treat! I hope that you vote for me because I will listen to everyone and do my best to represent us all.

I would like to become one of our class's school councillors because I am determined to help make our school even better than it is already! If you vote for me, I would like to organise more events to raise money for charity. I would also like us to have a cooking activity once a month as a reward for our good work and good behaviour. It would also be useful if we had a few bins on the playground and on the field to help keep our school tidy.
