**Moving up  
to Year 4**

---

**Brilliant  
Badgers!**

## In September, we are moving up to Year 4...

1. We will be in Badger class, and our teacher will be Mrs Draper

2. Mrs Draper has been teaching for nine years and is really good at art and handwriting. She says her favourite things are kindness and walking her dog, Cody.

Mrs Draper doesn't like brussel sprouts very much, and is scared of being late!

3. On Friday afternoons we will be taught by Mrs Rose. She has been teaching for fifteen years and is really good at reading stories and poetry.

Her favourite things are cooking and Crystal Palace, but she doesn't like housework very much.

4. Our teaching assistants will be Mrs Clawson and Mrs Savage.

Mrs Clawson is really good at explaining things and helping to organise the classroom. Her favourite things are Arsenal, Cristiano Ronaldo and football in general!

Mrs Savage is very patient, calming and a good listener. Her favourite things are gardening and walking her dogs.

5. We will have PE lessons with Mr Butler twice a week.

Mr Butler really likes playing golf and cricket, but he doesn't like spiders.

6. Our new classroom will be where the current Badger class is, next to the back car park and the field.

There will be lots of displays and books to help us learn.

7. We will enter through the KS2 gate and walk around to our classroom (which is next to the gazebo). Our teacher will meet us at the classroom door.

Our class will start school at 8.50am.

8. When we finish school, we will meet our parents at our classroom door.

Our class will finish school at 3.10pm.

In Autumn, we will be learning about lots of different topics. We will be building on everything we did last year (and filling in a few gaps)...

9. In English, we will be writing a Meeting Tale, where the main characters come across something unusual.

In maths, we will be building on our place value knowledge as well as developing our mental strategies for addition and subtraction. Learning our times tables will also be a big focus next year.

10. In Science, we will be learning about forces, magnets, rocks and fossils.

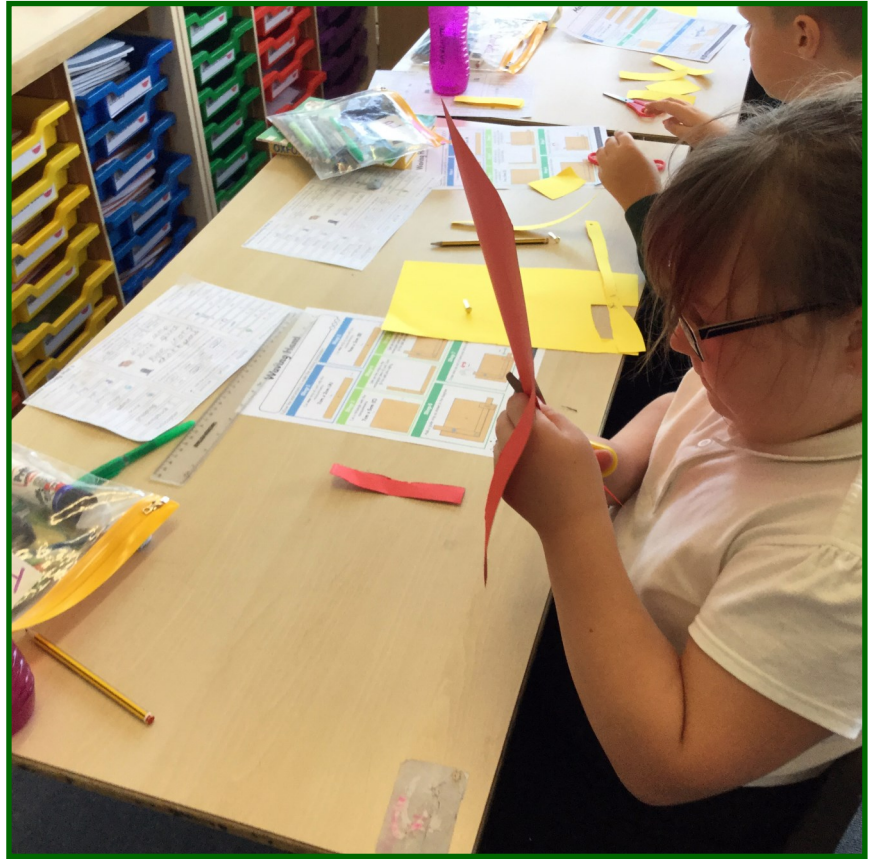

Our history and geography topics for the year will include a (virtual) roadtrip around the USA, Ancient Britain and the Romans.

11. In DT we will be building mechanisms to catch a giant and cooking breads and pizzas.

In PE, we will be developing our ability to play as a team, developing our basketball, hockey, football and rugby skills.

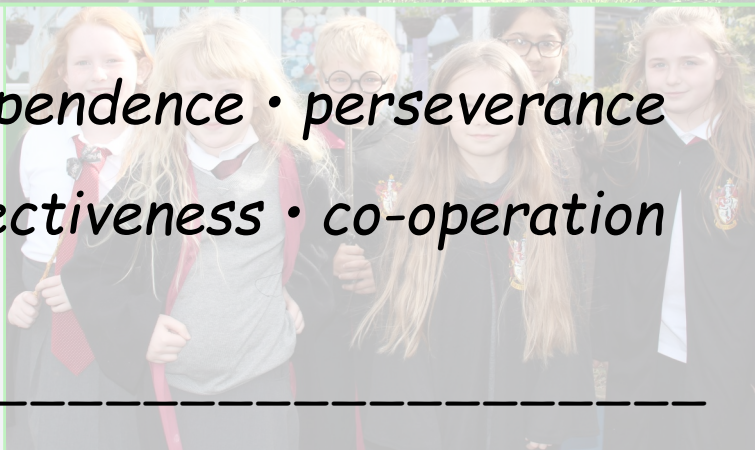

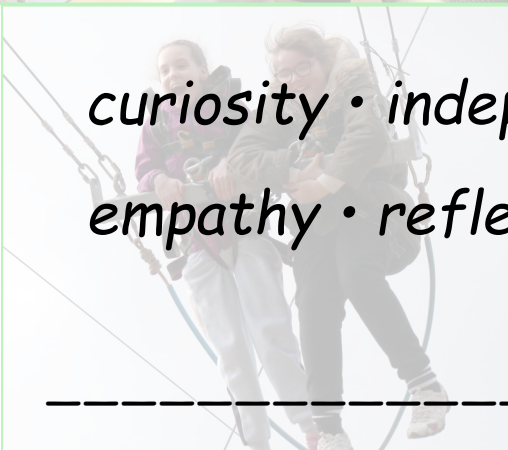

12. Hopefully, we will be going on trips to the Roman museum in St Albans, Celtic Harmony Camp and the theatre later in the year.

Our teachers have lots more fun activities planned for us next year, and are really looking forward to working with us when term starts in September.

*curiosity • independence • perseverance  
empathy • reflectiveness • co-operation*
