**Moving up
to Year 1**

**Delightful
Dormice!**

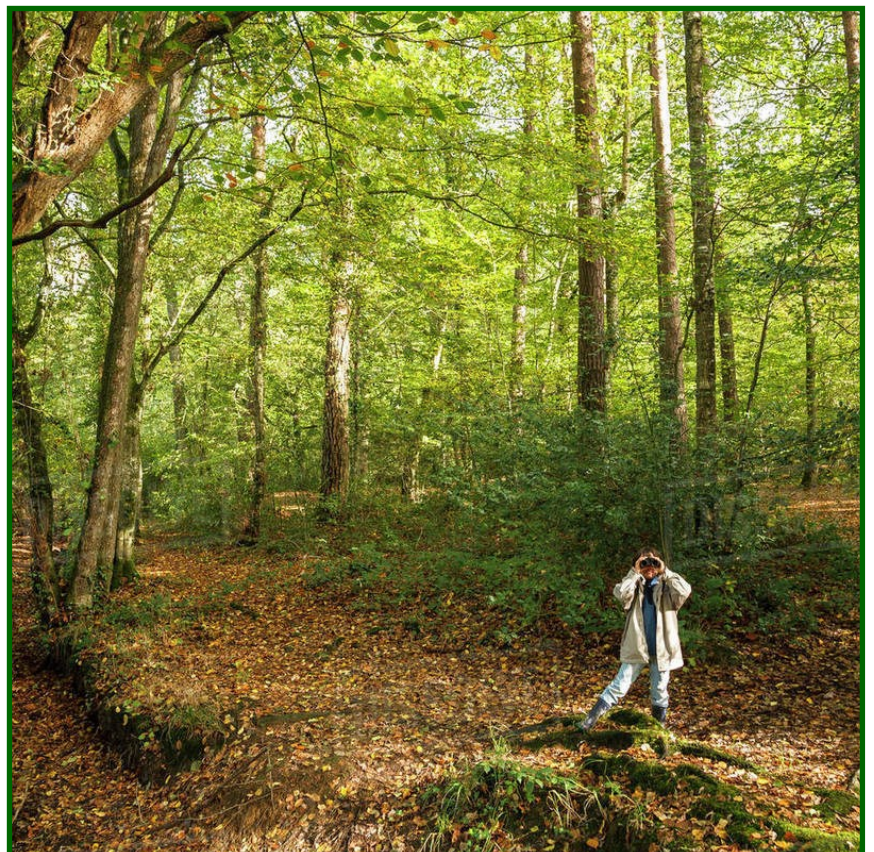

In September, we are moving up to Year 1...

1. We will be in Dormouse class, and our teacher will be Mrs Devenish.

2. Mrs Devenish has been teaching for 12 years and is really good at being creative and outdoor learning. She says her favourite things are baking and the outdoors.

Mrs Devenish doesn't like the cold and is scared of spiders!

3. On Wednesdays we will be taught by Mrs Humber. She has been teaching for 22 years and is really good at art.

Her favourite things are family time and chocolate, but she doesn't like tomato sauce very much!

4. Our teaching assistants will be Mrs Mooney and Mrs Sewell.

Mrs Mooney is really good at sewing and making things. Her favourite things are walking her dog and reading.

Mrs Sewell is really good at art. Her favourite things are reading and socialising.

5. We will have PE lessons with Mr Butler twice a week.

Mr Butler really likes playing golf and cricket, but he doesn't like spiders.

6. Our new classroom will be in the same place that Year 1 have been learning this year, next to the playground and the Infant Hall.

There will be lots of displays and books to help us learn.

7. We will enter through the main gate and walk across the playground with our parents. Our teacher will meet us at the classroom door.

Our class will start school at 8.50am.

8. When we finish school, we will meet our parents at our classroom door.

Our class will finish school at 3.10pm.

In Autumn, we will be learning about lots of different topics. We will be building on everything we did last year (and filling in a few gaps)...

9. In English, we will be learning the story of Little Charlie.

In maths, we will be using positional language, identifying number patterns and learning to regroup numbers in different ways.

10. In Science, we will be looking at the seasons and learning about the way that these are linked to changes in the weather.

Our history and geography topics for the year will include finding out about where we live and what we can see on our journey to school.

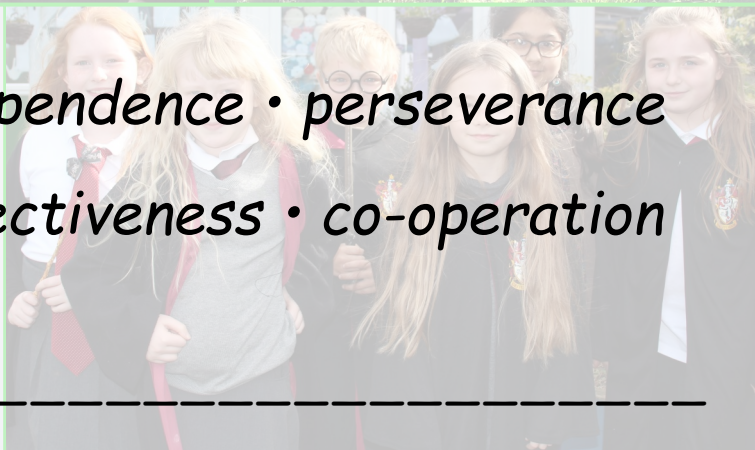

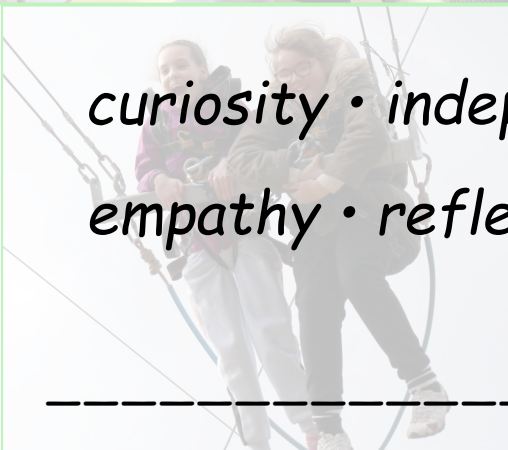

11. In Art we will be learning about the artists Andy Goldsworthy and Lois Ehlert, and using our ideas to produce our own art work.

12. Hopefully, we will be going on trips to the woods and Whipsnade Zoo later in the year.

Our teachers have lots more fun activities planned for us next year, and are really looking forward to working with us when term starts in September.

*curiosity • independence • perseverance
empathy • reflectiveness • co-operation*
