**Moving up
to Year 5**

**Fabulous
Falcons!**

In September, we are moving up to Year 5...

1. We will be in Falcon class, and our teacher will be Miss Smith.

2. Miss Smith is really good at PE and English, and she says her favourite things are reading and dogs.

Miss Smith doesn't like beetroot very much, and is scared of spiders.

3. Our teaching assistant will be Miss Davis. She is great at phonics and organising things, and really likes going to the gym!

4. Mrs Woods and Mrs Ottery will also be supporting our class. They are both really good at supporting people with their learning and helping us to keep calm.

5. We will have PE lessons with Mr Butler twice a week.

Mr Butler really likes playing golf and cricket, but he doesn't like spiders.

6. Our new classroom will be the current Falcon classroom, near to the KS2 gate and Bedwell Crescent.

There will be lots of displays and books to help us learn.

7. We will enter through the KS2 gate, from where we will be able to see the door of our classroom and Miss Smith waving us in every morning!

Our class will start school at 8.50am.

8. When we finish school, we will leave through our classroom door, where we will either meet our parents or walk home on our own..

Our class will finish school at 3.10pm.

In Autumn, we will be learning about lots of different topics. We will be building on everything we did last year (and filling in a few gaps)...

9. In English, we will be reading the story *Holes*, focussing on genre shifting stories. We will also be exploring the novel *Wonder* to learn about stories told from multiple viewpoints.

In maths, we will be developing our understanding of number and place value.

10. In Science, we will be learning about space, forces and states of matter.

Our history and geography topics for the year will include Ancient Greece, rivers and mountains and the Ancient Mayans.

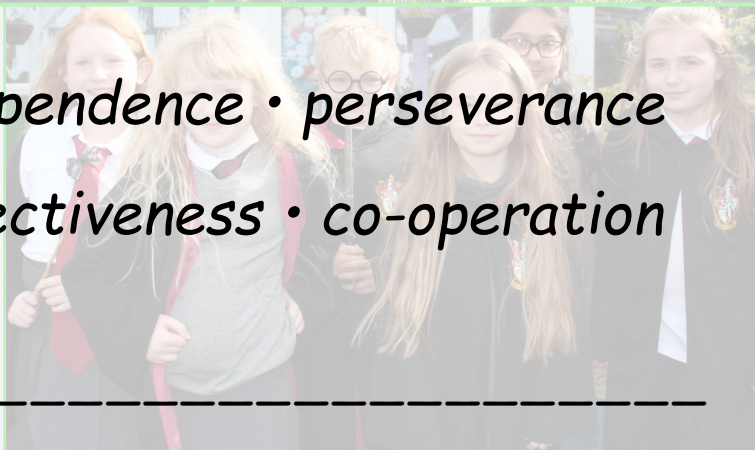

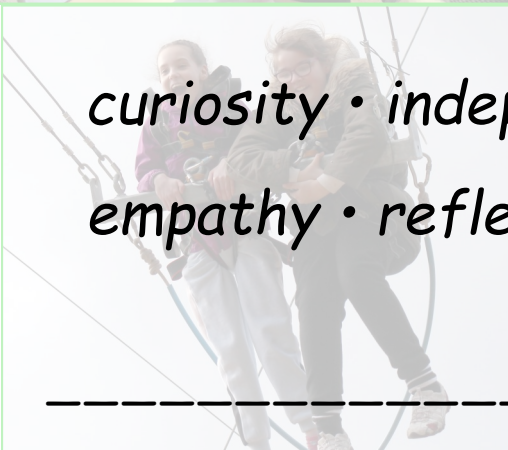

11. In RE we will be learning about Sikhism and Christianity.

12. Hopefully, we will be visiting the British Museum and going on a boat trip on the River Thames later in the year.

Our teachers have lots more fun activities planned for us next year, and are really looking forward to working with us when term starts in September.

*curiosity • independence • perseverance
empathy • reflectiveness • co-operation*
