**Moving up  
to Year 5**

---

**Fantastic  
Foxes!**

# In September, we are moving up to Year 5...

1. We will be in Fox class, and our teacher will be Mr Hollingsworth.

2. Mr Hollingsworth has been teaching for six years and is really good at maths, geography and history. He says his favourite things are sports (especially American Football) and Star Wars.

He doesn't like cats very much, and is scared of bats (they're creepy!)

3. On Monday afternoons, we will be taught by Mrs Thomas. She has been teaching for seven years and is really good at PE and maths..

Her favourite things are eating food and going on adventures.

4. Our teaching assistant will be Mrs Malcolm..

She is super-organised and knows lots about science. She really likes dolls houses and reading!

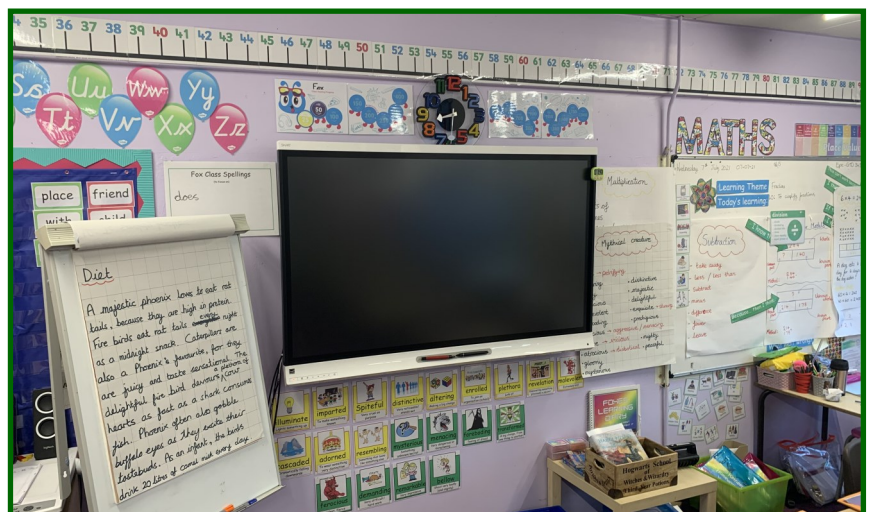

5. We will have PE lessons with Mr Butler twice a week.

Mr Butler really likes playing golf and cricket, but he doesn't like spiders.

6. Our new classroom will be where Fox class is at the moment, near to the back car park.

There will be lots of displays and books to help us learn.

7. We will enter through the KS2 gate and then walk around to our classroom door, where our teacher will be ready to meet us.

Our class will start school at 8.50am.

8. When we finish school, we will leave through our classroom door, where we will either meet our parents or walk home on our own..

Our class will finish school at 3.10pm.

In Autumn, we will be learning about lots of different topics. We will be building on everything we did last year (and filling in a few gaps)...

9. In English, we will be reading the story *Holes*, focussing on genre shifting stories. We will also be exploring the novel *Wonder* to learn about stories told from multiple viewpoints.

In maths, we will be developing our understanding of number and place value.

10. In Science, we will be learning about space, forces and states of matter.

Our history and geography topics for the year will include *Ancient Greece*, rivers and mountains and the *Ancient Mayans*.

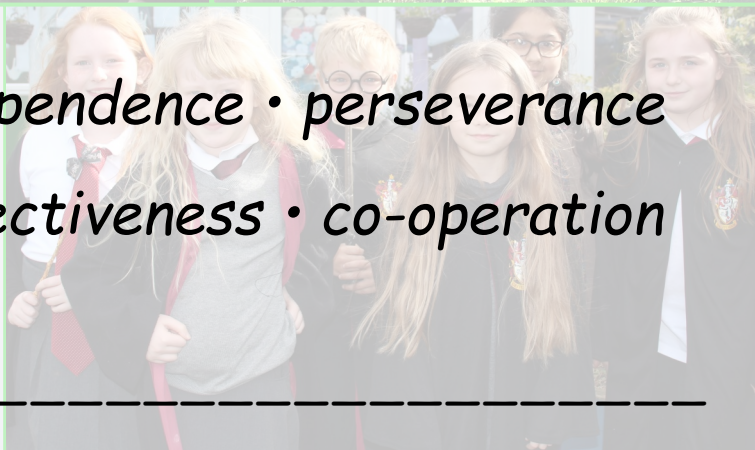

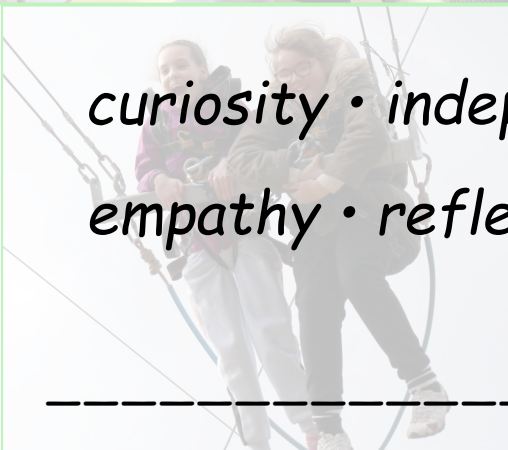

11. In RE we will be learning about Sikhism and Christianity.

12. Hopefully, we will be visiting the British Museum and going on a boat trip on the River Thames later in the year.

Our teachers have lots more fun activities planned for us next year, and are really looking forward to working with us when term starts in September.

*curiosity • independence • perseverance  
empathy • reflectiveness • co-operation*
