**Moving up
to Year 3**

**Remarkable
Rabbits!**

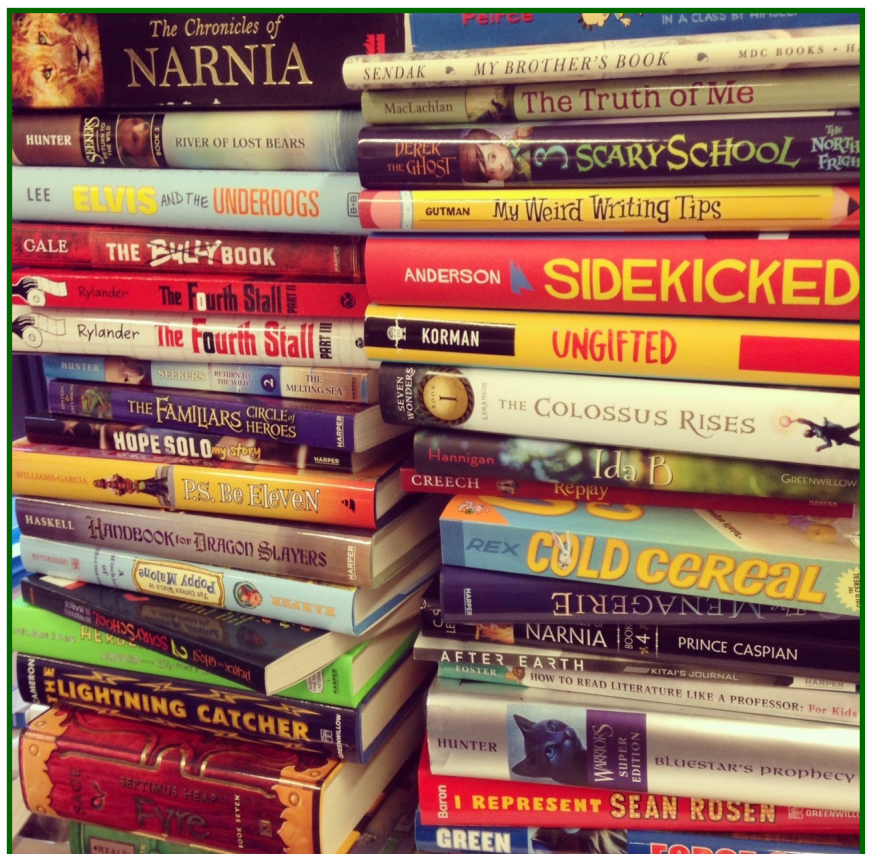

In September, we are moving up to Year 3...

1. We will be in Rabbit class, and our teacher will be Mr Roberts.

2. Mr Roberts has been teaching for 15 years and is really good at science and computing.

He says his favourite things are reading and watching sport. He likes curry and ice cream, but he doesn't like sweetcorn very much.

3. On Wednesdays we will be taught by Mrs Rose. She has been teaching for fifteen years and is really good at reading stories and poetry.

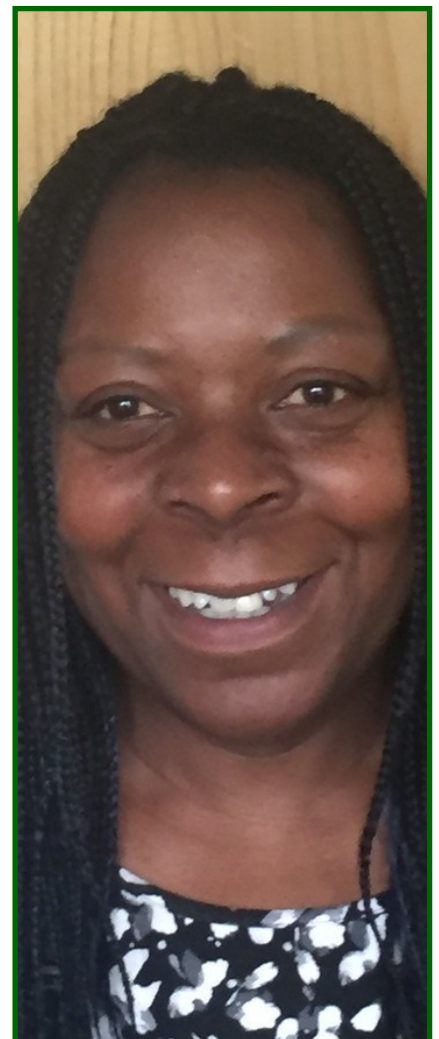

Her favourite things are cooking and Crystal Palace, but she doesn't like housework very much.

4. Our teaching assistants will be Mrs Moore and Miss Bartlett.

Mrs Moore is really good at being happy and enthusiastic, and her favourite things are Gary Barlow and long baths!

Miss Bartlett is very good at phonics and she really likes chocolate and onion rings!

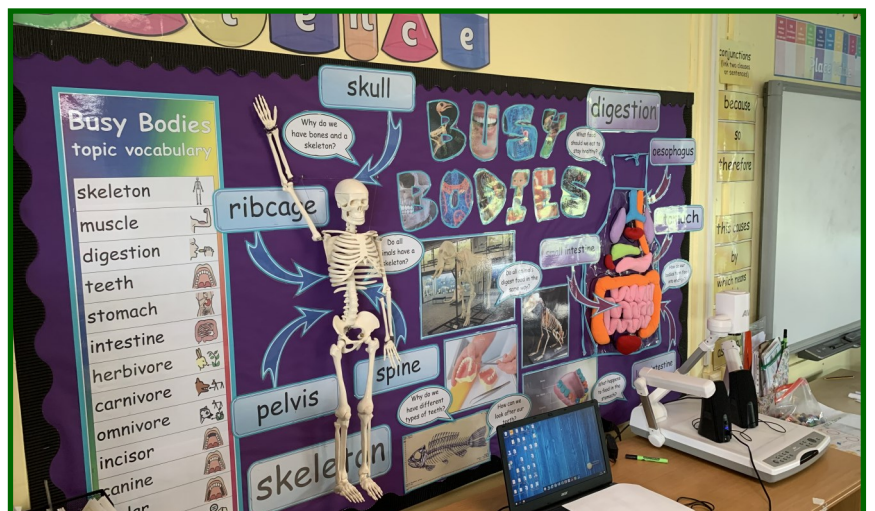

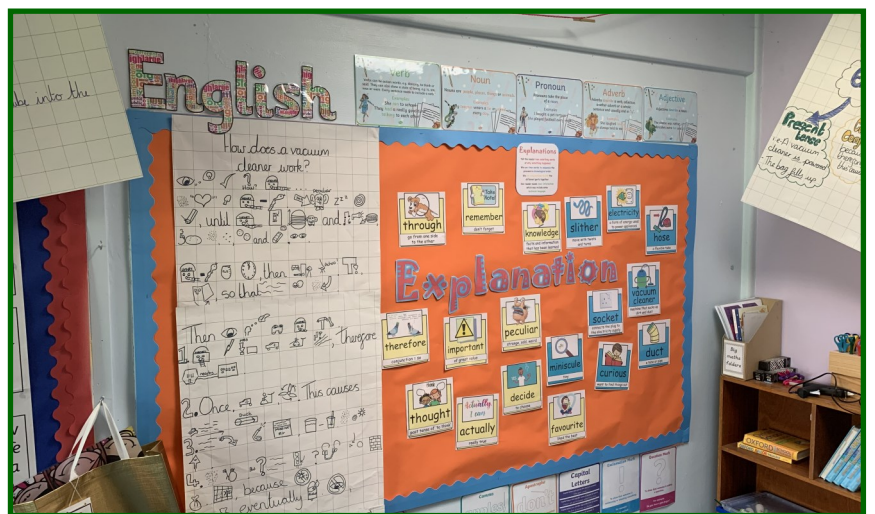

5. We will have PE lessons with Mr Butler twice a week.

Mr Butler really likes playing golf and cricket, but he doesn't like spiders.

6. Our new classroom will be next to the field and the hall, where Year 3 are at the moment.

There will be lots of displays and books to help us learn.

7. We will enter through the KS2 gate and walk around to our classroom. Our teacher will meet us at the classroom door.

Our class will start school at 8.50am.

8. When we finish school, we will meet our parents at our classroom door.

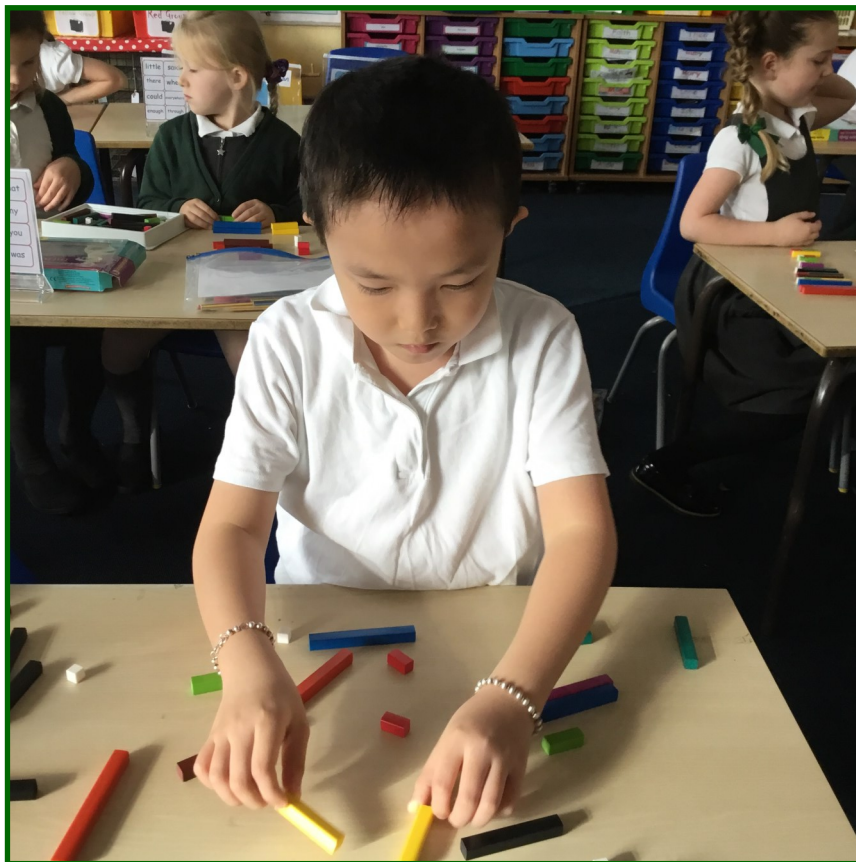

Our class will finish school at 3.10pm.

In Autumn, we will be learning about lots of different topics. We will be building on everything we did last year (and filling in a few gaps)...

9. In English, we will be writing stories that involve meeting unusual characters and working hard to improve our spelling.

In maths, we will be learning about place value, working with numbers to 1000.

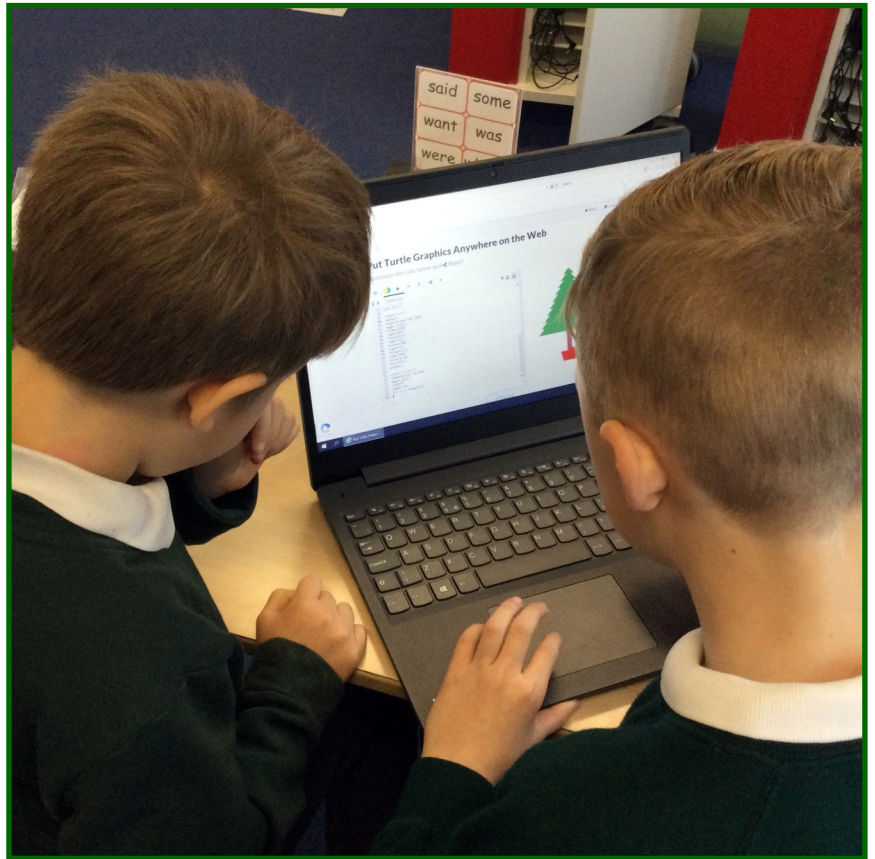

10. In Science, we will be learning about forces and magnets, light, rocks and healthy eating over the course of the year.

Our history and geography topics for the year will include the USA, water and Roman Britain.

11. In Computing we will start to learn to code simple programs using Scratch. In PE, we will be playing lots of team sports, like basketball, hockey and cricket.

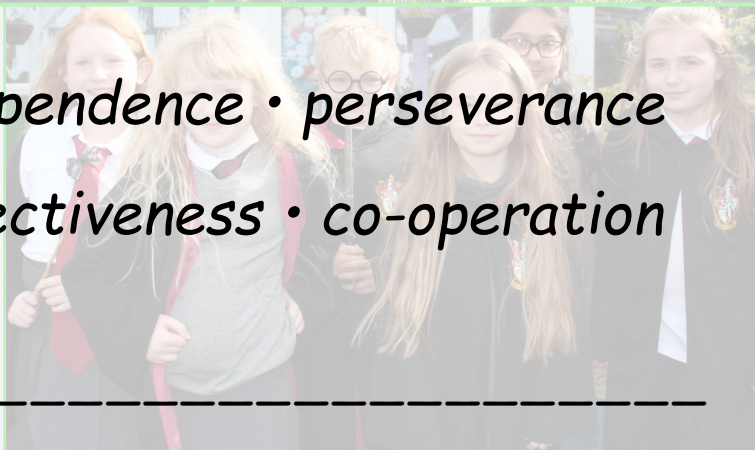

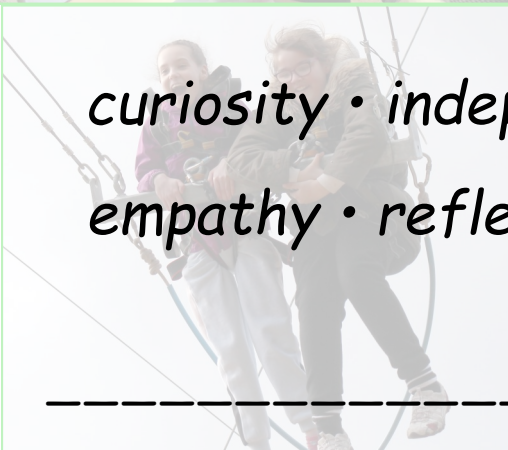

We will also start to learn French next year, starting with simple conversations, colours and numbers.

12. Hopefully, we will be going on trips to the Roman museum in St Albans, Celtic Harmony Camp and the theatre later in the year.

Our teachers have lots more fun activities planned for us next year, and are really looking forward to working with us when term starts in September.

*curiosity • independence • perseverance
empathy • reflectiveness • co-operation*
